Physician must complete the first question regarding medical qualification to operate a motor vehicle regardless of the patient's license status or age. Failure to complete all sections will result in delayed processing and a request for more information about this patient.

In my professional opinion and to a reasonable degree of medical certainty:

☐ The reported condition ***WILL NOT IMPAIR*** the safe operation of a motor vehicle.

☐ The person applying for this permit is ***NOT*** medically qualified to operate a motor vehicle safely.
